A minor in statistics requires a minimum of 15 credits in statistics courses numbered 3000 or above with grades of C- or above. The courses used to complete the minor must be chosen in consultation with the director of undergraduate studies and must include at least one of the following: STAT3500 Introduction to Probability and Statistics II (3 CR), STAT4710 Introduction to Mathematical Statistics (3 CR), STAT4750 Introduction to Probability Theory (3 CR) or STAT4760 Statistical Inference (3 CR). A maximum of 3 of the 15 credits may be in STAT4085 Problems in Statistics for Undergraduates (1-3 CR).

Please take this form to the Director of Undergraduate Studies Statistics, Dr. Suhwon Lee in room 307E Middlebush Hall.
